

Employer Internship Fact Sheet

Through an internship, NYC high school students are placed at a worksite for a defined period of time to participate in and observe work first hand.

Internships provide a direct benefit to the employer and give students the opportunity to learn by doing real work and being productively engaged in the workplace. Interns may work individually, in teams, work on a project or rotate through a number of departments and job functions.

Program Level: 11th grade or higher
Employer/Student Ratio: 1:1 (maximum 1:5)
Duration: 6-8 weeks, 60 or more hours
Location: Workplace
Costs: Wages (often subsidized)
Special Considerations: Internships may be paid or unpaid, depending on whether the student is performing productive work for the employer and other factors.
