

Employer Guest Speaker Fact Sheet

When guest speakers visit a classroom, students listen to a presentation to learn about the speaker's career, business and industry, and ask questions to help them consider whether they might like to pursue a career path in the industry.

Designed to meet specific learning objectives, guest speaker presentations are linked to the curriculum and help students connect what they're learning in school with the workplace. Presentations are usually conducted at the school, but in some cases, guest speakers may "visit" a classroom electronically via Skype or some other technology.
